Rough Year

I will not deny that it has been a rough year. In fact it has been a rough couple of years in a row. We just keep plugging along. Some days we crawl forward, other days we walk forward. The main aspect and reality is we keep moving forward. God gave us this mission and as long as there is breath in my lungs I do everything in my power to be obedient to Him. Others may viciously attack us. Others may obey Satan in hating anything from God. We keep pointing everyone to God. I continue to work a day job to pay for this ministry work. We reinvest every single book sale, donation, membership fee, sponsored posts and more right back into making Family Friendly Gaming. The money has been down really low this year too.

I refuse to brow beat, arm twist, or guilt trip anyone into helping Family Friendly Gaming continue to reach millions all over the world. We are not running giving marathons for weeks. Instead I made a video of the books I wrote and put that on the videos that are processed from live streams. I keep working on publishing and producing. I believe if we show our value that there will be an outpouring of love and appreciation for what we do. I also get closer to being able to retire from a day job. It is my hope and prayer that I can reach retirement and then be able to do Family Friendly Gaming full time. We may purchase less games, and not be able to improve things as quickly. We will need to see when we get there.

You might have noticed some interesting and different articles on the FFG Originals off of the main News page this year. We get all kinds of interesting inquiries. There are those that claim they want to buy Family Friendly Gaming for example. I made an article so anyone who is responsible and does their due diligence can read that article and get the answer they seek. The same goes for the Advertise page. There are answers for those that want to know about how to advertise with Family Friendly Gaming. Can you believe that I still get the same questions even after providing people those pages? Is reading becoming a lost art? Or maybe it is comprehension. I am honestly confused that some people ask me the questions those pages already answer.

I am so glad we are in the Christmas season. It is so wonderful to dwell on the birth of Jesus Christ. The season of giving is so wonderful to be a part of. It is my hope and my prayer that all ya'll stay warm, have wonderful time with family, love one another and spend time together. I will be spending time with my family. I will also be working on things that all ya'll can enjoy. I hope this Christmas Buying Guide gives all ya'll some ideas for things to look for - for your family members. There are some interesting ideas in here this year. May God bless and keep you. Prayerfully consider helping Family Friendly Gaming.

- Paul Bury

Mission Statement

Family Friendly Gaming (FFG) was created in March of the year of our Lord 2005 as the first ever Christian video game magazine. The goal of Family Friendly Gaming is to report on video games from the family view point. Family Friendly Gaming takes a fair and balanced approach to all news, previews, reviews, interviews, features, and other articles found within. The secular video game media reports mainly on the most morally bankrupt games and call those games good. The major secular media reports on the bad side of video games mainly. Most other Christian media outlets claim video games turn the player into a zombie, or they completely worship video games. Family Friendly Gaming reports the good, and bad side effects to video games. It is the belief of the owners that readers are smart enough to come to their conclusions without those in the media handing opinions to them. Those of us at Family Friendly Gaming believe by giving you the facts, you can decide for yourself. There are plenty of really good video games on the market that teach wonderful lessons. Both inside the Christian video game market, and from non-Christian video game developers. Family Friendly Gaming seeks out these video games to bring them to your attention. Since it is unknown before playing a game how family friendly it is; it is possible that this magazine will preview a game, and then the review will expose problems previously unknown. Family Friendly Gaming promises to always ask the question: "how God feels about certain video games." God's opinion on the matter is more important than any mere mortal. Which is why the rest of the industry does not influence FFG.

Christmas Story

Luke 1:26-38 In the sixth month of Elizabeth's pregnancy, God sent the angel Gabriel to Nazareth, a town in Galilee, 27 to a virgin pledged to be married to a man named Joseph, a descendant of David. The virgin's name was Mary. 28 The angel went to her and said, "Greetings, you who are highly favored! The Lord is with you." 29 Mary was greatly troubled at his words and wondered what kind of greeting this might be. 30 But the angel said to her, "Do not be afraid, Mary; you have found favor with God. 31 You will conceive and give birth to a son, and you are to call him Jesus. 32 He will be great and will be called the Son of the Most High. The Lord God will give him the throne of his father David, 33 and he will reign over Jacob's descendants forever; his kingdom will never end." 34 "How will this be," Mary asked the angel, "since I am a virgin?" 35 The angel answered, "The Holy Spirit will come on you, and the power of the Most High will overshadow you. So the holy one to be born will be called the Son of God. 36 Even Elizabeth your relative is going to have a child in her old age, and she who was said to be unable to conceive is in her sixth month. 37 For no word from God will ever fail." 38 "I am the Lord's servant," Mary answered. "May your word to me be fulfilled." Then the angel left her.

Matthew 1:18-25 This is how the birth of Jesus the Messiah came about: His mother Mary was pledged to be married to Joseph, but before they came together, she was found to be pregnant through the Holy Spirit. 19 Because Joseph her husband was faithful to the law, and yet did not want to expose her to public disgrace, he had in mind to divorce her quietly. 20 But after he had considered this, an angel of the Lord appeared to him in a dream and said, "Joseph son of David, do not be afraid to take Mary home as your wife, because what is conceived in her is from the Holy Spirit. 21 She will give birth to a son, and you are to give him the name Jesus, because he will save his people from their sins." 22 All this took place to fulfill what the Lord had said through the prophet: 23 "The virgin will conceive and give birth to a son, and they will call him Immanuel" (which means "God with us"). 24 When Joseph woke up, he did what the angel of the Lord had commanded him and took Mary home as his wife. 25 But he did not consummate their marriage until she gave birth to a son. And he gave him the name Jesus.

Luke 2:1-20 In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. 2 (This was the first census that took place while Quirinius was governor of Syria.) 3 And everyone went to their own town to register. 4 So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. 5 He went there to register with Mary, who was pledged to be married to him and was expecting a child. 6 While they were there, the time came for the baby to be born, 7 and she gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger, because there was no guest room available for them. 8 And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. 9 An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. 10 But the angel said to them, "Do not be afraid. I bring you good news that will cause great joy for all the people. 11 Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. 12 This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger." 13 Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, 14 "Glory to God in the highest heaven, and on earth peace to those on whom his favor rests." 15 When the angels had left them and gone into heaven, the shepherds said to one another, "Let's go to Bethlehem and see this thing that has happened, which the Lord has told us about." 16 So they hurried off and found Mary and Joseph, and the baby, who was lying in the manger. 17 When they had seen him, they spread the word concerning what had been told them about this child, 18 and all who heard it were amazed at what the shepherds said to them. 19 But Mary treasured up all these things and pondered them in her heart. 20 The shepherds returned, glorifying and praising God for all the things they had heard and seen, which were just as they had been told.

Matthew 2:1-12 After Jesus was born in Bethlehem in Judea, during the time of King Herod, Magi from the east came to Jerusalem 2 and asked, "Where is the one who has been born king of the Jews? We saw his star when it rose and have come to worship him." 3 When King Herod heard this he was disturbed, and all Jerusalem with him. 4 When he had called together all the people's chief priests and teachers of the law, he asked them where the

Donkey Kong Bananza

Donkey Kong Bananza looks really nice. The fur on DK is fantastic looking. DK runs across a thirteen year old Pauline. Her singing is a key game play mechanic in Donkey Kong Bananza. Players use her to unlock things and areas. DK earns new skills from these elders. So we can become a stronger ape, snake, zebra, elephant, and more. The zebra can run fast and make it across fragile platforms in Donkey Kong Bananza. The elephant form can suck up objects, and then be able to throw things.

Mario Tennis Fever

It can take around six hours to complete the Adventure Mode in Mario Tennis Fever. The storyline is actually interesting. Princess Daisy gets sick and Mario, Luigi, Princess Peach, Wario and Waluigi go to get a golden fruit. These monsters attack and the main characters get turned into baby versions of themselves. So players must train baby Mario and baby Luigi to get strong enough to take on the monsters to get turned back to normal.

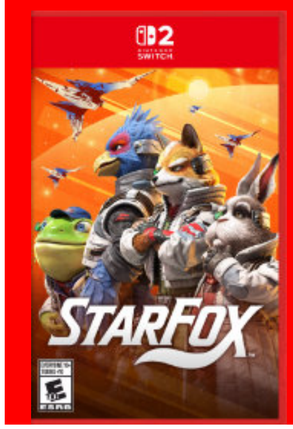

Pokemon Legends Z-A

There are all kinds of items to find in the 3D environment. The town in Pokemon Legends Z-A is a really good size. That is also the entire game. There are wild areas to fight Pokémon in the city. There are Pokémon centers to heal Pokémon and purchase items. We can fast travel to locations we have already been to in Pokemon Legends Z-A. At night there are battle zones to fight other trainers. This is done to earn points on a ticket to battle up to the next rank.

Pokemon Pokopia

We find Pokémon and use their moves. Then we find other Pokémon that will help us do things like build or bulldozer an area. We build habitats for Pokémon to join the world in Pokémon Pokopia. We craft things, break them down, build, and more in Pokémon Pokopia. The more Pokémon we find the more we return the land to what it once was.

Star Fox

The story of Star Fox on the Nintendo Switch 2 does not end with the live stream I performed of this video game. If you saw that live stream then you know I got stuck on Titania. I had reached an hour and decided to stop play. I then shifted my life stream schedule to play something else the very next night. I did go back and record the rest of Star Fox on the Nintendo Switch 2. Star Fox is a remake of the Nintendo 64 video game Star Fox 64. Star Fox looks really nice. I was amazed at how good Star Fox looks. There are some cool cut scenes found throughout Star Fox. The story is told quite well. The different characters have some interesting personalities in Star Fox. I like the voice acting in Star Fox.

Comic Books Graphic Novels

The Patriarchs 1 Abraham

There are plenty of things from the life of Abraham that are covered in The Patriarchs 1 Abraham. If you know the Bible then there will not be spoilers in my review. If you do not know the Bible then this is my spoiler warning. The Patriarchs 1 Abraham starts a few years after Noah and the flood. The Patriarchs 1 Abraham goes over Abraham's father, brothers, and his half sister and wife Sarah. There are multiple times where Abraham goes into foreign nations and is scared for his life. They find his wife very beautiful so Abraham says she is his sister. Abraham is accused of lying as these rulers are punished for taking Sarah as their wife. He told them the truth just not all of the truth in The Patriarchs 1 Abraham.

Job

Job still thanks God in this comic book. Satan goes back to God and claims if he could harm Job's body then he would curse God. God allows Satan to hurt Job but not to kill him. Job is in agony and pain with those boils. Friends of Job come and tell him to repent. God must be punishing Job for something. Job does not listen to their words.

The Christ #10

There will be spoilers in this review from here on out. The Christ #10 has some really great art in it. I love the different parables that are told in The Christ #10. The money changers tables getting turned over is covered in The Christ #10. The main story within The Christ #10 is twenty-eight pages. The rest of the pages within The Christ #10 are The Betrayer's Story Thirty Pieces. Can you guess what the smaller story is within The Christ #10? I will get into that in a little bit.

The Patriarchs 2 Isaac-Jacob

What happened to Dinah is also covered in The Patriarchs 2 Isaac-Jacob. This comic book ends with where the brothers Jacob and Esau wind up settling down. The Patriarchs 2 Isaac-Jacob made me realize how much deception went on back in the day. We have plenty that goes on in this day and age as well. Humans never seem to learn the lessons the Holy Bible teaches us.

The Christ #6

I told you that I planned on coming back to this franchise. I did it in a big way too. There are multiple comic books in this franchise that were purchased in the same month. The next one in my queue is The Christ #6. The front cover has Jesus walking on the water. The Christ #6 cost me $3.99. There are thirty-two pages of comic book content within The Christ #6. This is a much better deal that what Marvel, DC Comics, Image or other worldly comic book companies provide. The two different instances of the miracle of the fish and loaves of bread are shown within The Christ #6. Jesus walks on water in The Christ #6.

Booster Gold The Complete 2007 Series Book Two

There are four hundred and forty pages in Booster Gold The Complete 2007 Series Book Two. The MSRP on Booster Gold The Complete 2007 Series Book Two was $29.99. I believe I paid less for this graphic novel with a discount at our local comic book store. There will be spoilers in the rest of this review of the Booster Gold The Complete 2007 Series Book Two graphic novel. Events like Darkest Night are covered in Booster Gold The Complete 2007 Series Book Two. Blue Beetle comes back to life thanks to a black ring. Booster's sister Michelle plays a big part in the events in Booster Gold The Complete 2007 Series Book Two. Michelle finds out she was dead and brought back to life thanks to time travel. There are points when and where the rules are broken on not changing the past. This girl's dog dies at one point in Booster Gold The Complete 2007 Series Book Two. Rip Hunter goes back in time with Booster Gold to let him save the dog from a stray shot.

Booster Gold The Complete 2007 Series Book One

I feel so bad for Booster Gold in so much of Booster Gold The Complete 2007 Series Book One. He is doing heroic things again and again in Booster Gold The Complete 2007 Series Book One. No one knows he is doing them. He gets no credit and honestly gets mistreated all of the time. Booster Gold The Complete 2007 Series Book One introduces us to the Time Stealers. Starro also gets his tentacles on Rip Hunter.

A Minecraft Movie

There are some very good and epic moments in A Minecraft Movie. Chicken Jockey and Lava Chicken are two great examples within A Minecraft Movie. There is also the water bucket, crafting table, golems and more. There is some violent content within A Minecraft Movie. Characters can attacked by a plethora of different Minecraft enemies. A zombie gets his arm ripped off at one moment within A Minecraft Movie. There is a message within A Minecraft Movie about going into the real world and being creative there. The pigs are out to destroy the Minecraft world in A Minecraft Movie. They are opposed by the humans who want to keep the world safe. There is also a theme of trying to get back to the real world by some other characters.

The Bad Guys 2

The Bad Girls are committing crimes in The Bad Guys 2. The Bad Girls are making it look like it was The Bad Guys doing the crimes. The Bad Guys help the police in solving the crime. They then go to a professional wrestling event where they are trying to stop the real thieves from stealing the belt. Why do they want the belt? They want it for the MacGuffinite metal that is in it. MacGuffinite can be charged electrically and attract gold.

Gabby Dollhouse Ready to Party

I am not familiar with this franchise. The cat theme in Gabby Dollhouse Ready to Party makes me think of the stereotype of older single women being cat ladies. Gabby is a girl but she is giving me that vibe. There are plenty of cat related jokes in Gabby Dollhouse Ready to Party too. I did not find any offensive content while playing Gabby Dollhouse Ready to Party. There are plenty of rainbows in Gabby Dollhouse Ready to Party that made me think of Noah's Ark.

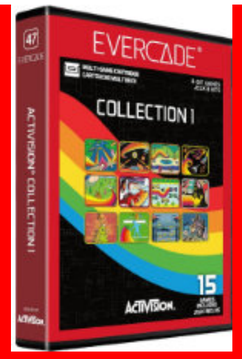

Bluey's Quest For The Gold Pen

There are nine levels within Bluey's Quest For The Gold Pen. Players will be provided interesting skills in some of the levels. I liked being able to float with the goose character. In between levels the family is discussing what is going on in this imaginative story.

Activision Collection 1

I am thankful I had the money to purchase a copy of Activision Collection 1 on the Evercade. There are fifteen games on Activision Collection 1. The games in Activision Collection 1 are Beamrider, Crackpots, Demon Attack, Enduro, Fishing Derby, Freeway, Grand Prix, MegaMania, Pitfall!, Private Eye, River Raid, Sky Jinx, Space Shuttle A Journey into Space, StarMaster, and Tennis. These are all Atari 2600 games. I feel like I have played some of these games in the past. I do recall River Raid from when I was a kid. The concept for the time was really good. We have a plane that is flying over a river. We must fuel up every so often, and avoid the different obstacles. Boats, planes, and helicopters will try and get in our way. We must avoid them, shoot them, and blow up bridges. The fuel cannisters can also be blown up. I learned to be precise with my shooting.

Taito Arcade 3

Out of all of the Taito Arcade compilations on Evercade I like Taito Arcade 3 the best. I was shocked at how well the live stream went of Taito Arcade 3. I am also shocked that I liked so many of the games within Taito Arcade 3. The games on the Taito Arcade 3 cartridge are Cadash, Cameltry, Crazy Balloon, Football Champ, Lunar Rescue, Puzzle Bobble, Qix, The Fairyland Story, and Zookeeper.

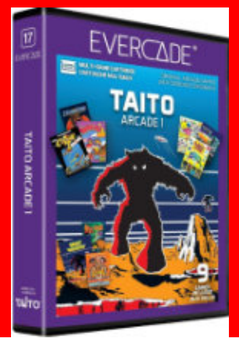

Roguecraft DX

Roguecraft was original released on the Amiga in September of 2024. So Roguecraft DX is in essence a newly made retro video game. There are new features and upgraded added into Roguecraft DX from the original Roguecraft. There is no Evercade save option in Roguecraft DX which is really annoying. The game is supposed to autosave at certain points but it lost my game when I went back and checked. I made it through multiple floors by the way.

Activision Collection 2

I am thankful I had the money to purchase a copy of the Activision Collection 2 cartridge on Evercade. There are fifteen games included in Activision Collection 2. The games on Activision Collection 2 are Boxing, Checkers, Cosmic Commuter, Dragster, H.E.R.O., Moonsweeper, Oink!, Pitfall II Lost Caverns, Plaque Attack, River Raid II, Robot Tank, Seaquest, Skiing, Spider Fighter, and Stampede. The back of the case claims these were 8-bit video games.

Taito Arcade 1

All in all I like many of the games on Taito Arcade 1. Some allow players to continue where they lost their last life. Other games require the player to start the game all over again. Bubble Bobble is a great example of the later. The Legend of Kage is another one of those games that makes player start from the beginning. Chack'N Pop reminds me of Bubble Bobble with some differences. Players can jump to the ceiling, and must collect the heart to leave. There are nine games on the Taito Arcade 1 cartridge. The games on Taito Arcade 1 are Bubble Bobble, Chack'N Pop, Colony 7, Don Doko Don, Growl, Pirate Pete, Raimais, Space Invaders and The Legend of Kage.

How Heavy Are the Dumbbells You Lift? Season 1

Many months ago Noah was watching How Heavy Are the Dumbbells You Lift? Season 1 on Crunchyroll. I decided to add it to my list and when I had some time to watch it. What is it about How Heavy Are the Dumbbells You Lift? Season 1 that caught my eye? There are some really good exercises taught in How Heavy Are the Dumbbells You Lift? Season 1. There are twelve episodes in How Heavy Are the Dumbbells You Lift? Season 1 that are twenty-three minutes long each. Hibiki Sakura notices she is getting a little soft around her mid section. She joins a gym and starts to learn exercises. Hibiki makes friends with some other ladies in How Heavy Are the Dumbbells You Lift? Season 1.

House of David Season One

House of David Season One starts and ends with David confronting Goliath. We then go back in time for the most of the season. King Saul was commanded to completely destroy the Amalekites and their possessions. King Saul kept the best of the flock to make burnt sacrifices and to give to the heads of the tribes. The leader of the Amalekites was also kept alive. Samuel shows up to find this. God has had it with Saul's disobedience. The blessings are taken and another will be anointed.

The Promised Land Season 1

There are references to false gods in The Promised Land Season 1. There is even the golden calf in The Promised Land Season 1. Moses teases Aaron relentlessly in The Promised Land Season 1. Other characters eventually point out how Moses is not being right by doing this. Moses eventually apologizes to Aaron in The Promised Land Season 1. The tabernacle is built in The Promised Land Season 1. Miriam sings a wonderful song at the end of The Promised Land Season 1.

Knuckles Season 1

I am curious why this was not just a really long movie. Knuckles Season 1 is a bit short in terms of television shows. The issues families can have with Knuckles Season 1 are violence, bad language, ghosts, spirits and more. Knuckles is trying to get used to life on Earth. Knuckles keeps chasing off the repairmen from the damage done in the movie previous to Knuckles Season 1. Knuckles Season 1 contains six episodes that last between twenty-three and thirty-three minutes. The trophy is almost stolen but Wade's mother and sister stop the deadbeat dad from taking it. Everything ends well in Knuckles Season 1.

Little Kitty, Big City

Little Kitty, Big City has a lot of charm to it. There are so many cute aspects to Little Kitty, Big City. We play a black cat that fell asleep on a ledge high up on a building. This same cat falls off and winds up grabbing onto a bird. This allows the cat to land safely in Little Kitty, Big City. There is plenty of humor within Little Kitty, Big City. When we find the bird it thinks we can fly. Yes we are playing the cat. There are different animals to interact with in Little Kitty, Big City. Some are more helpful and friendly than others. There are items to collect, and different accessories your cat can wear in Little Kitty, Big City. There are a variety of missions players can embark upon while playing Little Kitty, Big City. At the same time Little Kitty, Big City is very chill. Do things at your pace

Zero to Dance Hero

First and foremost in order to play the songs in Zero to Dance Hero the family member must go through all of the lessons for that song. Once the family member is done with all of the lessons they should have a very good idea about how to dance that exact song. In some ways the songs in Free Mode are less important in Zero to Dance Hero than the lessons in learning how to dance the moves. This dawned on me about half way through this video game.

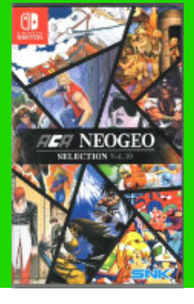

Hello Kitty and Friends Freeze Tag Party

The hunters can get the challengers while they are trying to free another challengers in Hello Kitty and Friends Freeze Tag Party. The graphics in Hello Kitty and Friends Freeze Tag Party look cute and decent. The music in Hello Kitty and Friends Freeze Tag Party is fun and fantastic to listen to. The gameplay is in essence hide and go seek. There are a total of seventy missions in Hello Kitty and Friends Freeze Tag Party. Challenger and Hunter each have thirty-five.

Snoopy & The Great Mystery Club

Snoopy earns different skills while we play Snoopy & The Great Mystery Club. He can dig, track, open bushes, leaf blow and more in Snoopy & The Great Mystery Club. I love how Snoopy & The Great Mystery Club debunks certain things like a ghost or a lake monster. There is no violent content in Snoopy & The Great Mystery Club whatsoever. We do find comic strips that can be looked at in certain spots in this game.

ACA NEOGEO Selection Vol. 10

ACA NEOGEO Selection Vol. 10 contains four fighting games, one shooting game, two sports games, two puzzle games, and one brawler. The issues families will have with ACA NEOGEO Selection Vol. 10 are violence, blood, lack of attire, enticement to lust, and more. The puzzle games in ACA NEOGEO Selection Vol. 10 are fantastic. I loved playing Magical Drop III and Pop'N Bounce. They are also similar video games.

Hidden Objects Collection for Nintendo Switch

The six games on Hidden Objects Collection for Nintendo Switch are Where Angels Cry, Black Rainbow, Where Angels Cry Tears of the Fallen Collector's Edition, The Man with the Ivory Cane, Myths of Orion, and Farm Mystery. If you like hidden object games then Hidden Objects Collection for Nintendo Switch is a fantastic collection with many hours of gameplay. Families can choose the difficulty in this game as well. The voice acting in Hidden Objects Collection for Nintendo Switch is fantastic. I like the graphics and music in Hidden Objects Collection for Nintendo Switch.

ACA NEOGEO Selection Vol. 7

The ten games within ACA NEOGEO Selection Vol. 7 are Fatal Fury Special, The King of Fighters 2003, King of the Monsters 2, Metal Slug 5, Pleasure Goal 5 on 5 Mini Soccer, Power Spikes II, Prehistoric Isle 2, Puzzle Bobble, World Heroes 2, and ZuPaPa! The issues families can have with ACA NEOGEO Selection Vol. 7 are violence, blood, lack of attire, enticement to lust, and more. King of the Monsters 2 is the video game that has a mixture of fighter and brawler in it.

ACA NEOGEO Selection Vol. 8

ACA NEOGEO Selection Vol. 8 contains four fighting games, one sports game, one puzzle game, two shooters, one first person RPG action adventure game, and one jump platformer. Blue's Journey is the jump platformer in ACA NEOGEO Selection Vol. 8. We can jump on enemies, and then when we jump off of them they spin out and take out other enemies on the screen. The 2D side scrolling looks a lot like 2D Mario platformers.

Endless Ocean Luminous

Endless Ocean Luminous can be played for a very long time if you want to complete everything in it. Not only is there marine life to find, Endless Ocean Luminous also has treasures. Players can hunt for the different treasures. We can wear different colored wet suits in Endless Ocean Luminous. There are plenty of unlockables in Endless Ocean Luminous. Those that want to complete Endless Ocean Luminous 100% will put quite a few hours into it.

ACA NEOGEO Selection Vol. 6

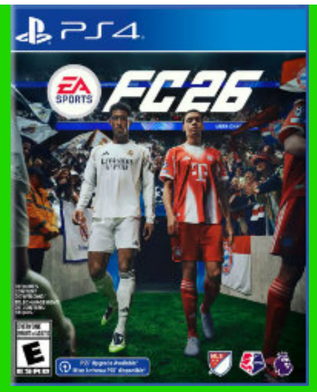

ACA NEOGEO Selection Vol. 6 contains four fighting games, two sports games, two shooter, one racing game, and one brawler game. I played enough of these compilations to notice the pattern. Not all of these games adhere to this pattern. ACA NEOGEO Selection Vol. 6 has a decent blending of genres. I like having one racing and two sports game.

NeoGeo Pocket Color Selection Vol 1

The ten games on NeoGeo Pocket Color Selection Vol 1 are SNK GALS' FIGHTERS, SAMURAI SHODOWN! 2, KING OF FIGHTERS R 2, THE LAST BLADE Beyond the Destiny, FATAL FURY FIRST CONTACT, SNK VS. CAPCOM THE MATCH OF THE MILLENNIUM, METAL SLUG 1ST MISSION, METAL SLUG 2ND MISSION, DARK ARMS Beast Buster 1999, and BIG TOURNAMENT GOLF. We get a manual of the games with the physical copy of NeoGeo Pocket Color Selection Vol 1.

Playstation 4

EA Sports FC 26

The live stream I performed of EA Sports FC 26 was such a slamming great time. I am so appreciative of all of the people that came by and hung out when I played this game. I like EA Sports FC 26 over some of the previous years. There are still some things I am not that fond of personally. When we start playing a game the zoomed out camera is messed up. I could barely see who had the ball in EA Sports FC 26. Once we score and before corner kicks there is a great camera angle. I wish that camera angle was there the entire game. The Vol game is gone in EA Sports FC 26. We do get the KO game instead. They are very similar. The KO game is a fast paced game where there are five characters per team. There are a lot of teams to pick from in EA Sports FC 26. The difficulty can be adjusted to fit your skillset in EA Sports FC 26.

Paw Patrol Rescue Wheels Championship

There are items to collect in Paw Patrol Rescue Wheels Championship. We collect the dog biscuits and wind up unlocking different stickers for the vehicles. I personally did not care much about how the vehicle looked. There are different characters that players can play with. Mayor Humdinger is a personal favorite. We finally get to the Foggy Bottom at the end of the championship mode. That track is definitely worth it in my opinion.

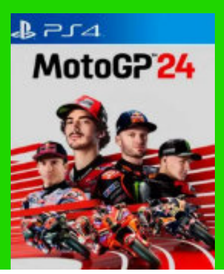

Dora Rainforest Rescue

Dora Rainforest Rescue looks 3D but we are limited to where we can go. Collision detection is questionable in Dora Rainforest Rescue at times. For example I would jump on a flower that should launch me across the river. Instead I would slide off the flower and go into the water. There is no dying in Dora Rainforest Rescue thankfully. Players are put into a bubble and brought back to the last piece of dry land they were on.

The Elf on the Shelf Christmas Heroes

There are twenty-four levels within The Elf on the Shelf Christmas Heroes. Most of the levels are 2D side scrolling levels. There are some flying levels in The Elf on the Shelf Christmas Heroes. We collect sparkles to power Santa's sleigh in The Elf on the Shelf Christmas Heroes. There are mini games in the 2D side scrolling levels. I skipped those at first to find out that was a mistake. Players need so many hearts to progress to the next level in this game.

MotoGP 24

MotoGP 24 looks nice and I liked being able to lean into the curves while racing. I wish MotoGP 24 had some drag racing tracks, but there are constant curves all over the place. There are plenty of practices that players can play before getting into the main and real race. I would get bored with seeing the same tracks again and again. On the flip side I did get better racing those tracks.

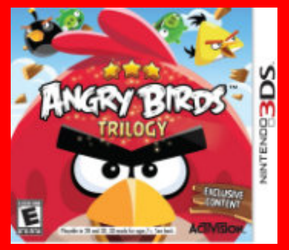

Nintendo 3DS

Angry Birds Star Wars

There are over two hundred levels within Angry Birds Star Wars. The Star Wars themed Angry Birds in Angry Birds Star Wars are fun to play with. Some of them are really powerful too. I like how Angry Birds Star Wars takes us through the progressions of the Star Wars movies. It is a real kick to see Angry Bird versions of the different Star Wars characters in Angry Birds Star Wars. We are launching the birds, and hitting structures in Angry Birds Star Wars. There is some cartoon violence and mayhem within Angry Birds Star Wars. We also can earn up to two stars. There are bonus rewards that can be earned in Angry Birds Star Wars as well. I loved the stickers and illustrations personally. Angry Birds Star Wars can be played in single player or multiplayer modes.

Angry Birds Trilogy

There are a lot of levels within Angry Birds Trilogy. There are one hundred and thirty levels in Angry Birds Trilogy on the Nintendo 3DS to be exact. I know I got my moneys worth out of this video game. We must beat a level to unlock the next level. Certain aspects of Angry Birds Trilogy need to be beaten to unlock the next game. I wish there was more immediate accessibility within this hand held video game.

Purr Pals Purrfection

We are given a wide array of different cats to adopt in Purr Pals Purrfection. We can check on our Achievements, play Games, look at Rewards, perform Kitten Care, do Tasks, and play with Meow Grams in Purr Pals Purrfection. The music is fantastic in Purr Pals Purrfection. The cat sounds are realistic in Purr Pals Purrfection. The graphics look nice and the cats are cute. Although the eyes are a bit creepy in Purr Pals Purrfection.

Xbox One

Farming Simulator 25

I live streamed Farming Simulator 25 weekly for just over six months. I am still playing Farming Simulator 25 even though I am moving on to another game in the weekly live stream on that day. Farming Simulator 25 is my kind of a video game. I love the different maps, regions, and areas we can go to in Farming Simulator 25. We can play arming Simulator 25 in North America, Europe, or East Asia. You know what that means right? We can grow rice in Farming Simulator 25. Graphically Farming Simulator 25 looks really nice. There are all kinds of farming equipment we can use in Farming Simulator 25. I love the different viewpoints we can see in Farming Simulator 25. We can go into first person mode and see what these massive pieces of farming equipment have on the inside. We can zoom back and see what the vehicle looks like from the outside. We can also go into first person mode outside of the vehicles and do things like cut down trees with the chainsaw.

Moving Out

Moving Out is much shorter than the first game. There is some cartoon violence within Moving Out. I struggled on the end boss with all of that fire and having to get the furniture in the right spot. You must be very fast in that end boss to beat Moving Out. The rest of Moving Out was much easier to get through. Maybe Moving Out was easier for me since I played the second game first. By the way the second game is more challenging than the original.

Pac-Man World 2 Re-Pac

I had a lot of fun playing Pac-Man World 2 Re-Pac. There were some frustrations here and there in Pac-Man World 2 Re-Pac. The cool thing about Pac-Man World 2 Re-Pac is the improvements. I loved being able to take as many hits as I could in Pac-Man World 2 Re-Pac. It meant I could focus on other things like collecting all of the fruit in the levels. The same thing can be said for fighting the bosses in Pac-Man World 2 Re-Pac. I could focus on what needed to be done.

Train Life A Railway Simulator

Train Life A Railway Simulator is safe for families. Please be aware that there is a learning curve to learning this game. Do not expect to install it and immediately get out there in all kinds of different trains. I probably should have gone back to the tutorial to play Train Life A Railway Simulator a bit better. Also be very careful with your speed in construction zones unless you want to crash.

Horse Club Adventures 2 Hazelwood Stories

We learn how to care for the horses in Horse Club Adventures 2 Hazelwood Stories. For example we can brush them, clean their hooves, feed them, provide water, apples, and more. As players progress they earn more boost hooves in Horse Club Adventures 2 Hazelwood Stories. This will help you in the races from place to place. As we collect medals we unlock more clothing items in this game.

Nintendo DS

Marvel Super Hero Squad The Infinity Gauntlet

I get quite the kick out of playing these retro video games. Marvel Super Hero Squad The Infinity Gauntlet on the Nintendo DS is a great example. I was happily surprised to hear voice acting in this hand held video game. I was not expecting that. The quality of Marvel Super Hero Squad The Infinity Gauntlet is much higher than I expected a well. Marvel Super Hero Squad The Infinity Gauntlet looks good. It is easy to tell who the different characters are. There are different skills that are needed to progress in Marvel Super Hero Squad The Infinity Gauntlet. Thankfully with a few button presses we can change which character we are. To make it even better we have two characters with us at all times.

Smart Girl's Playhouse

The music in Smart Girl's Playhouse is happy and fun. The graphics are not that great in Smart Girl's Playhouse. The graphics are very family friendly though. There are some light animations after the mini games are completed. For example after drawing the cat and tapping the done button the cat would move around a little bit. It was neat and noticeable. The little girl main character will celebrate as well.

Imagine Rock Star

Girls can adjust the outfits, make up, instruments and memories in Imagine Rock Star. The controls in Imagine Rock Star are a bit different than many musical based video games I have played in my life. There is a bar at the top of the screen. The icon moves from the right to the left until it reaches the zone. There are three colors on the bottom of the screen. When the icon hits the zone, then the girl playing must swipe up on the right color.

Chameleon

It absolutely astounds me how much history we have here at Family Friendly Gaming. I did my research on Chameleon based on our own website. Which is really cool. I am sure millions upon millions of families use the Family Friendly Gaming website in the same way. Sam played the PSP version of this video game. I am digging into the Nintendo DS version of Chameleon.

Guitar Rock Tour

The songs are pretty long in Guitar Rock Tour. I was a bit shocked at how long it takes to get through one song in Guitar Rock Tour. There are powerups that can be triggered in Guitar Rock Tour. Players must tap the buttons at the right point in time to score properly. I did not have any issues with Guitar Rock Tour scoring properly. Why can't some modern music games learn from Guitar Rock Tour?

Personal Computer

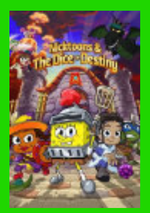

Saul of Tarsus

You would be amazed at how many people are constantly reaching out to Family Friendly Gaming and wanting us to do something for them. Publish my press release. Play my game and write a review. They all see us an avenue to their own dreams coming true. Since very few of them ever bother to advertise then what happened is we have to work day jobs. That means we are able to get to even less games than we want to. When we were contacted about Saul of Tarsus my initial response and thought was - no time. At times I feel like Jesus in Luke 17:11-19. I always believe in consulting God in all decisions we make. Even if I am wronged again and again I still work diligently to do the right thing. I prayed about it and decided to take a look at Saul of Tarsus. This is a free app where you do not need to pay anything.

Equestrian Training

The mini games is where Equestrian Training actually feels like a video game. There is Endurance, Show Jumping and Grooming in the mini games in Equestrian Training. There are timed limits to beat in the first two. You gotta be good, and really fast to beat those times. I worry that Equestrian Training is too hard for a lot of the girls interested in horses. When you speed up in Endurance and Show Jumping you will lose stamina in Equestrian Training. There is a certain cadence to keeping stamina, going fast, and making it to the finish line. I had no issues with the jumping in Equestrian Training.

Nicktoons & The Dice of Destiny

Nicktoons & The Dice of Destiny is a top down hack and slash game where we fight many of the same looking enemies again and again. I know some of the characters in Nicktoons & The Dice of Destiny. Other characters I am not very familiar with like the ones from the fairy franchise - The Fairly Oddparents. The fairies are playing a D&D like game. Timmy makes a wish and is sucked into a new world.

Barbie Horse Trails

There are some neat locations in Barbie Horse Trails. If you try to go somewhere you should not go then Barbie Horse Trails will just stop you. Then you need to hit A multiple times to get back up to speed. Barbie Horse Trails is a sequel of sorts to Barbie Project Friendship. Some of the same characters can be found in Barbie Horse Trails. Girls can have some fun with Barbie Horse Trails.

Hello Kitty Island Adventure

I liked the different little coin races in Hello Kitty Island Adventure. We press a button and then collect coins in a set path. There is a time limit on that of course. At times I had issues finding the next coin. There are interesting areas like the mine and puzzle caves to solve in Hello Kitty Island Adventure. If the witch content was not in Hello Kitty Island Adventure it would have scored higher.

Manga

Animal Crossing New Horizons Vol 1

Something interesting concerning this manga is it ends with Desert Island Diary for each of the volumes. I decided to take that off in our naming of the reviews. Animal Crossing New Horizons Vol 1 tells you exactly what it is. Long time readers know I am into Animal Crossing. I performed quite a few live streams of Animal Crossing New Horizons. Animal Crossing New Horizons Vol 1 contains chapters one through eight. There are some helpful tips on the video game in some of those chapters. There is plenty of humor within Animal Crossing New Horizons Vol 1. If you are familiar with the video games then you know what is being done wrong by the characters in Animal Crossing New Horizons Vol 1. There are four main characters that join the island in Animal Crossing New Horizons Vol 1. Those characters are Coroyuki, BenBen, Himepoyo, and Guchan.

Beyblade X Vol 1

Beyblade X Vol 1 introduces readers to Robin. He wants to be a professional blader. He goes to this event and some pros are weeding out the weak in Beyblade X Vol 1. They beat him and then completely break his Beyblade. What can Robin do? His dreams are crushed. Another character wearing a mask shows up in Beyblade X Vol 1. This character wants to be called Blader X.

Animal Crossing New Horizons Vol 4

Well known characters within Animal Crossing New Horizons Vol 4 are Tommy, Flick, Timmy, Saharah, Coco, and Rasher. Look Out! Spoilers are enroute. Expect some of the same humor in this volume as the previous ones. Animal Crossing New Horizons Vol 4 felt like it had a better flow in my opinion. There are eight chapters and two bonus diaries within Animal Crossing New Horizons Vol 4. This manga book starts out with character pages.

Beyblade X Vol 3

Multi confronts her sister Sigrid Nana-iro and winds up losing to her in Beyblade X Vol 3. Team Persona is given another opportunity to advance even farther and faster in Beyblade X Vol 3. They must battle these different characters to progress. Robin does what Robin always does. Do you know what Robin does in Beyblade X Vol 3? He loses. Robin is getting better little by little and getting better beyblades, but he still loses.

Hunter x Hunter Vol 14

Killua leaves the game for a bit in Hunter x Hunter Vol 15. He goes to take the hunters exam in the real world. Here is where things get interesting, and a bit humorous. The man who is the examiner of the first stage realizes that there are too many applicants. So he wants to whittle it down. So he tells them to knock out five people and bring him the badges. Killua knocks them all out and brings all of the badges. Killua is the only one to pass the exam that year.

DVD

Dog Man

We did a FFG Reacts to the trailer of Dog Man. I had some idea what this movie was about. A police officer and his dog get into a horrible accident. The head of the man is messed up, and the body of the dog is messed up. So they put the dog's head on the man's body. That way he is now Dog Man. I know you need to suspend any belief in reality to accept the premise of this movie. There are also some corny and campy things in Dog Man. The big thing to understand about Dog Man is this is for the younger members of the family. Teenagers and adults will most likely not get into Dog Man. I understand that. I also like to give entertainment a chance. Dog Man was very cringe worthy at first. The more I watched Dog Man the more I got into it.

The Jetsons Season One

George has a three hour work day, and he works three days a week. He needs to be at work at 11am. We are not there but I know of companies with a four day work week. The Jetsons Season One has flying cars. I know that is currently being worked on by different companies. Drones are huge now. Personal jetpacks are big in The Jetsons Season One. That is something else that is being currently worked on.

The Jetsons Season Two

The animation showed some improvements later in the season. The character art changed a bit, and there were more expressive postures by the characters in The Jetsons Season Two. Also certain things were done differently in some of the backgrounds in The Jetsons Season Two. I am sure they were trying to do some more impressive things with the technology they had. It stuck out as I watched The Jetsons Season Two.

Challenge of the Gobots The Series Volume Two

There is even some history between the good and bad characters in Challenge of the Gobots The Series Volume Two. I found that most interesting personally. There are plenty of interesting things in Challenge of the Gobots The Series Volume Two that make me wish this franchise was still around today. In some ways there are aspects of Challenge of the Gobots The Series Volume Two that are better than the Transformers.

Inspector Gadget 2

There is plenty of humor within Inspector Gadget 2. There is a bit of comic mischief and violence in Inspector Gadget 2. I feel that Inspector Gadget 2 is more for the younger members of the family. I got some chuckles while watching Inspector Gadget 2. There were also some campy moments within Inspector Gadget 2. My research showed that Inspector Gadget 2 is closer to the cartoon than the original movie.

The Jetsons Season Three

There is plenty of humor within The Jetsons Season Three. There is a bit of cartoon violence here and there. The Jetsons Season Three contains a Christmas episode which is fun and fantastic. The movie is great. I loved how that was done and ended. There are plenty of great lessons in The Jetsons Season Three. For example if you want something you need to work for it. Judy learns that lesson in The Jetsons Season Three.

The Christ #9

The foreman that paid all of the workers the same wage no matter what time of the day they started working for him is also covered in The Christ #9. The wisdom from Jesus Christ still continues to make us marvel to this very day. The logic also helps us understand what the logic of God is. It is one of those things for us to emulate as much as possible. Throughout my lifetime I have had problems with some people. I am applying the logic and standards from God while they are obeying the ones from Satan.

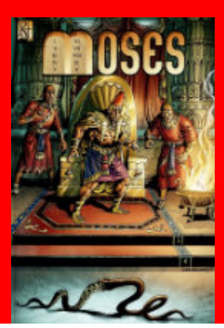

Silver Hawks Volume One

There are other things in Silver Hawks Volume One that I noticed. Mon-Star would lose again and again. Every time he said he would get the Silver Hawks next time. That never happened. Yes Man is an interesting character to me in Silver Hawks Volume One. He agrees with almost everything. He is quite the snake. The cap driver will stick in your head if you know what I mean. Silver Hawks Volume One taught me that metal is not real since the Silver Hawks are partly metal and partly real.

The Christ #7

There are so many interesting topics covered in The Christ #7. Jesus pays the temple tax in The Christ #7. Well he sends Peter out to fish and get the money and then Peter pays the tax. At that point Jesus does not want to offend them. Later on in The Christ #7 Jesus greatly offends the Pharisees. This has been a point I have made for decades. Those false teachers that claim to be Christian and say Jesus was only love, and never offended anyone are not educated in the Holy Bible.

Moses

The mother of Moses was very clever. She put her son in the river and it went by the daughter of Pharoah. She decides to keep the baby for herself. Moses is raised in royalty but always knew where he came from. Moses cannot handle how badly his people are being treated. So Moses stops a guard from beating a Hebrew and winds up killing him. Moses flees the scene and goes out into the wilderness. I love how there are Bible verses on the bottom of the pages in Moses. Anyone can compare their art and words to what is in the Holy Bible.

The Chosen Season 5

There are some extremely powerful scenes within The Chosen Season 5. First and foremost the money changers tables being turned over. The Chosen Season 5 makes perfect sense in terms of how the different entities would react to that event. What is interesting is how The Chosen Season 5 claims Jesus was on the side of Rome with the taxes. Jesus said to give under Caesar what is Caesar's and to God what is God's. The Chosen Season 5 makes Jesus pro Roman taxes.

The Wingfeather Saga Season 2

The fangs are being produced by people singing a song to a red rock. All of the people brought into the Black Carriage are forced to sing the song. They are merged with a smaller reptilian creature. That is how the Fangs are being generated and created. They are given a new name and know little about whom they are. The Bird Man in The Wingfeather Saga Season 2 is actually someone that was partially transformed.

The Wingfeather Saga Season 3

The Maker is referenced multiple times in The Wingfeather Saga Season 3. We learn a lot about the Wolves in The Wingfeather Saga Season 3. They are above the Fangs in terms of the hierarchy of the bad characters. The Ice Prairies are covered in The Wingfeather Saga Season 3 as well. There are some shocking things that happen in The Wingfeather Saga Season 3. Kalmar is turned into a wolf boy in The Wingfeather Saga Season 3.

The Wayfinders Season One

Zaya sends Flynn Griffin (a gamer), Oaklee Jones (genius lone wolf), and Cash Calloway (jock and top student) to her world. They are The Wayfinders. Flynn is to become a master thief and leader. Oaklee is to become a powerful sorceress. Cash is to become a powerful warrior. They meet Kavan - a werebear, Aurora - a princess, and Calibor - an expert thief. The bad guy is Vedric in The Wayfinders Season One.

Young David Season One

There is plenty of humor and great music within Young David Season One. There are some great lessons within Young David Season One. The animation in Young David Season One is fantastic, and more action based than I expected. There is some mild and mild cartoon violence within Young David Season One. An example would be when the lion attacks and David runs to get his slingshot and hit the lion in the head. The lion is shown as alive after taking quite a fall.

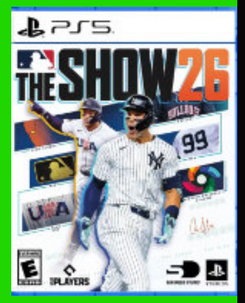

Sports

NBA 2K26

I had some fun live streaming NBA 2K26 on our YouTube channel. I played a regular game and one on the Blacktop. I like how we can play one on one, two on two, three on three, four on four, or five on five in the Blacktop mode. There are plenty of different ways families can play and enjoy this basketball video game. There are all kinds of all time and classic teams in NBA 2K26. The start of NBA 2K26 has players picking some of the greatest players of all time for the end of a regular game. There are swings of momentum within NBA 2K26. I learned how to deal with them and not stress when they were going against me. I also learned that the level of the player is very important within NBA 2K26. In Blacktop mode I went on the team with worse players and wound up losing.

MLB The Show 26

The minor league and major league teams are playable in MLB The Show 26. The World Baseball Classic can also be played in MLB The Show 26. If you want to make sure USA wins then you can make that happen in MLB The Show 26. The modes within MLB The Show 26 are Road to the Show, Diamond Dynasty, Franchise Mode, Home Run Derby, Storylines Negro Leagues, online, and offline. I like some of the new stadiums like the Tokyo Dome. There are all kinds of adjustments players can make to MLB The Show 26. If you want to ensure you will win then the difficulty settings can be adjusted to just your liking.

eBaseball Pro Spirit

I am pleased that eBaseball Pro Spirit was released. I am not pleased there is no physical copy version of eBaseball Pro Spirit. The only thing that really saves eBaseball Pro Spirit there is it is a free game. I did not pay any money to download or play eBaseball Pro Spirit. The modes are a bit on the limited side. There is an online mode or an offline mode. Multiple family members can play eBaseball Pro Spirit at the same time in the offline mode.

Fitness Boxing 3

There are multiple ways Fitness Boxing 3 can be played. I liked the calendar since it showed how many times we played Fitness Boxing 3 in a month. Lack of moves being properly registered with Fitness Boxing 3 from time to time is not as bad as the exercise we get. I found myself sore the next day a few times after doing some of the exercises. All in all my impression of Fitness Boxing 3 is positive.

Kirby Air Riders

There are twenty-one racers in Kirby Air Riders, and twenty-two different machines characters can race on. I stuck with Kirby. The modes in Kirby Air Riders are Air Ride, Top Ride, City Trail, and Road Trip. The last one is the story one. There are eleven stages in Road Trip in the Kirby Air Riders video game.

EA Sports College Football 26

People are always asking how they can support us here at Family Friendly Gaming. One of the easy ways is to watch the live streams. You can watch them afterward as well. Everyone that came by and supported my live stream of EA Sports College Football 26 has my thanks. I showed off a couple of the modes in EA Sports College Football 26. The Play Now, and the Road to Glory. There are also Dynasty, road to the College Football Playoffs, Ultimate Team, and more in EA Sports College Football 26. All 136 FBS teams are within EA Sports College Football 26. EA Sports College Football 26 looks nice graphically. I do wish there were some better camera angles allowed on defense like in Madden. The announcers do a good job. The stadiums look nice. I loved being able to immediately play in the championship game in EA Sports College Football 26. The intros and production value of EA Sports College Football 26 is high.

Taxi Chaos 2

There is an arcade mode in Taxi Chaos 2. The story mode is what is actually really interesting to me. We play Vinny who is in San Valeda. Vinny is from New York City and his friend Cleo invited him to this city. What Vinny finds is a talking taxi cab that takes him to Cleo. There is one problem in Taxi Chaos 2. There are AI Taxi cabs that are trying to run us off the road. Once we meet Cleo we get the entire story in Taxi Chaos 2.

Bubble Bobble Sugar Dungeon

There are upgrades that can be performed but I did not find one that let me take more than one hit. There are also exits in Bubble Bobble Sugar Dungeon. We can exit the dungeon at say the fifth level. We do not get to start back at the fifth level. There is also a timer that is shared between all ten levels in Bubble Bobble Sugar Dungeon. Getting enemies in bubbles and popping them adds to the timer. Players cannot take Bubble Bobble Sugar Dungeon slow and steady because they will run out of time. Then a ghost character starts attacking players.

Anno 117 Pax Romana

People?? I learned early on with Anno 117 Pax Romana that I did not need to go crazy. For example if the game tells me to build twenty houses, then build twenty houses. Do not build thirty or forty houses. The game will grind to a halt very quickly. I had to restart the game. The menu screens in Anno 117 Pax Romana can be obnoxious and difficult to learn. Once I did learn them Anno 117 Pax Romana was a bit easier to play.

EA SPORTS Madden NFL 26

The presentation within EA SPORTS Madden NFL 26 is nice. I wish we had some really good older teams to play like the NBA 2K video games. That was a feature in some older Madden games. Families can play with and against one another locally. EA SPORTS Madden NFL 26 also allows for players to compete against others around the world. EA SPORTS Madden NFL 26 feels like football to me. The NFL has drowned in controversies in recent years. Some of that controversial content can be found within this video game. EA SPORTS Madden NFL 26 copies what the stadiums look like for example. EA SPORTS Madden NFL 26 keeps up to date with what is going on in the NFL. So you can pick your team and play the game they will play this week. You can also play entire seasons and build up a franchise.

Roadcraft

There are some games that I really love playing. At the same time there can be some very painful elements to those games. I love the concept and the idea behind Roadcraft. We are coming into an area that suffered from a natural disaster. We are repairing all kinds of things like roads and bridges. I love completing the different missions within Roadcraft. I live streamed this video game for fifteen episodes.

Rudolph the Red-Nosed Reindeer

Rudolph the Red-Nosed Reindeer follows the 1964 stop animation movie. We would now consider it be like the current Claymation movies and television shows. The song is of course present in Rudolph the Red-Nosed Reindeer. Characters from the movie are within Rudolph the Red-Nosed Reindeer. Many aspects of Rudolph the Red-Nosed Reindeer are geared toward the younger members of the family. The difficulty is usually on the lighter side in Rudolph the Red-Nosed Reindeer.

SpongeBob SquarePants Titans of the Tide

The Flying Dutchman and King Neptune get into a fight in SpongeBob SquarePants Titans of the Tide. The Flying Dutchman is turning different characters into ghosts. SpongeBob and Patrick can swap which one of them is real in SpongeBob SquarePants Titans of the Tide. This is the interesting swapping mechanism I previously referenced. Patrick can do certain things like grapple onto things and bring them closer. SpongeBob can swap certain items with his bubble wand.

SRX The Game

SRX The Game looks decent. There are some interesting tracks to see in SRX The Game. I liked the different areas and regions in the country that are shown in SRX The Game. There are some really cool race tracks in SRX The Game. Players must practice first, then qualify, and then run in a heat before getting to the main races in SRX The Game. Most of the tracks in SRX The Game are very short.

MechWest Season 1

There are these Cowboys and Indians in MechWest Season 1. There are also mechs that are powered by coal. These little robots do all kinds of things to help out. There is a very special mech by the name of Six in MechWest Season 1. Six is powered by a crystal and not coal. Thieves stole Six from the Perajians. They are trying to get Six back. Six does not want to go and Pearl winds up helping Six. The interesting thing is Pico eventually comes around to defending Six as well in MechWest Season 1. It is a real heart warming moment when Pico finally gets it.

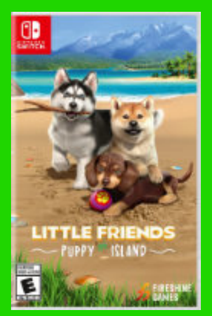

The Christ #8

It continues to be a pleasure to read through this series. The Christ #8 cost me $3.99. There are thirty-two pages of comic book content within The Christ #8. Bible verses are on the bottom of a great many pages in The Christ #8. The first twenty-six pages are the main story in The Christ #8. The last six pages of The Christ #8 are The Dead Brother's Story "Come Forth." There are some wonderful historical account within The Christ #8.

The Riot and the Dance Season One

There are plenty of different animals show in the nine episodes that make up The Riot and the Dance Season One. The episodes of The Riot and the Dance Season One last between thirty-three and forty-eight minutes. There is a bit of blood in The Riot and the Dance Season One. The animals are not exactly nice to one another. Predators need to eat prey to survive, and The Riot and the Dance Season One does not shy from that reality.

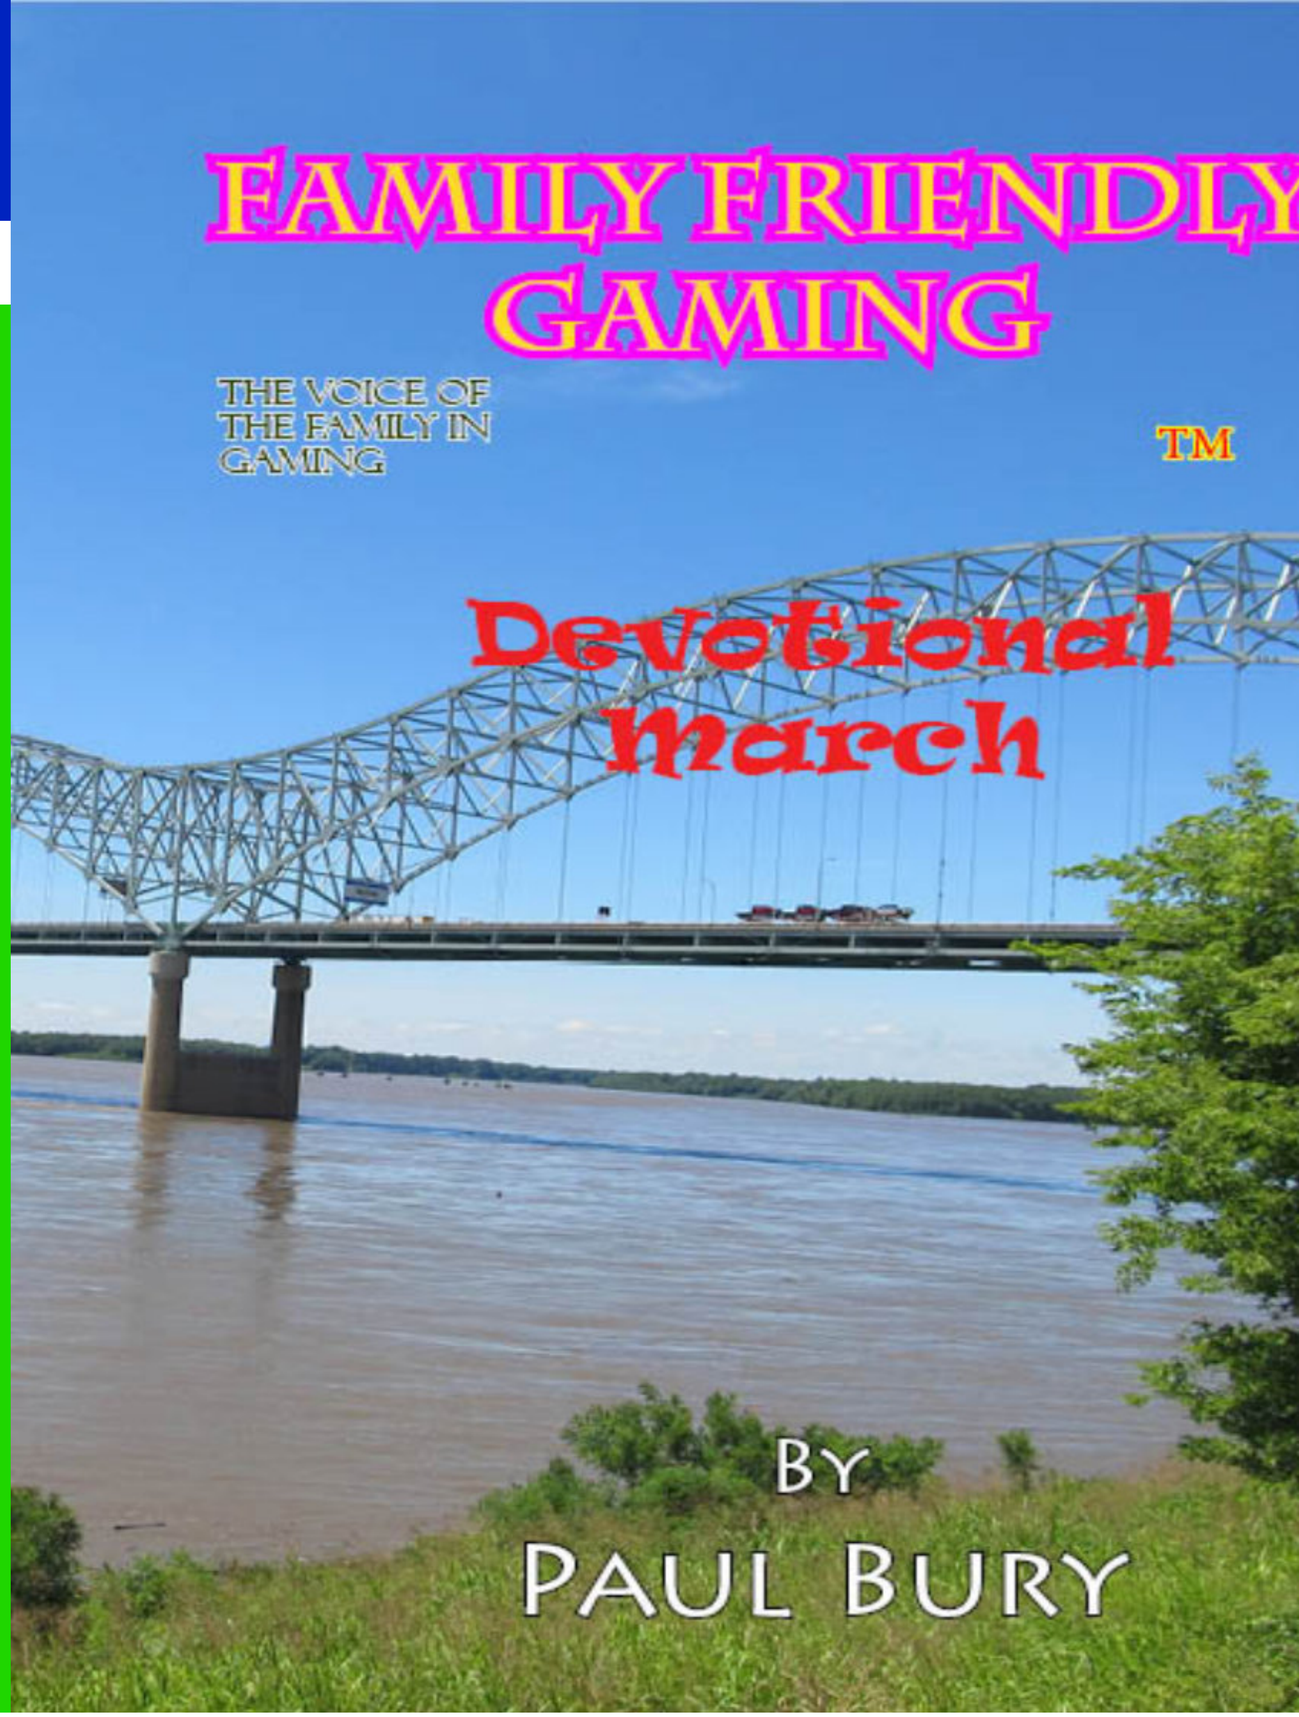

Little Friends Puppy Island

Little Friends Puppy Island looks nice, and sounds really good. I got into the music. There are texts between you and a friend that explain the storyline in Little Friends Puppy Island. I love how we are learning about different puppies in Little Friends Puppy Island. There are all kinds of different puppies to find in this video game. Going for a walk is a neat first person experience in Little Friends Puppy Island.

Hello Kitty & Friends Hello World #1

Hello Kitty is creating a podcast in Hello Kitty & Friends Hello World #1. There are different characters that Hello Kitty interviews in Hello Kitty & Friends Hello World #1.
